.....

Sri G.R. Shanbhogue, the retired compounder who was re-employed as compounder, L.F. Dispensary, Manjeshwar as permitted in G.O.No.Ms.2424 P.H. dated 14-7-1948 with effect from 21-9-48 to 14-7-49 has been continued in service for a further period of one year from 15-7-1949 as per G.O.No.Ms.2484 P.H.dated 12-7-1949.

p6 (X) — p5-6 (X)

2. Recently applications were invited for the post of compounders from qualified candidates by publishing notices in the vernacular newspapers of the District; but no applications from qualified candidates were forthcoming. Besides efforts to get two candidates trained as compounders at the Local Government Wenlock Hospital have also failed, as the District Medical Officer, South Kanara who was addressed in the matter has stated that the compounders' training course starts from 1-10-50 and that the two candidates recommended by me will have to renew their applications in September 1950.

3. As no qualified candidates are available to fill up the vacancy and the medical officer of the institution in which the compounder is serving now has submitted his application for the extension of re-employment for a further period of one year from 15-7-1950.

I request that Government may be pleased to accord sanction for the re-employment of Sri G.R. Shanbhogue for one year from 15-7-1950 or until such time as qualified candidates become available for appointment, whichever is earlier and to allow him the pay he was drawing at the time of his retirement.
